Warren HS will provide all poles, silks, flag bags, ruffles and sabers. Students will need to help provide their own electric tape and “make-up”. Students are also strongly encouraged to invest in their own practice ruffle.

INSTRUMENT STORAGE

Students will be provided a locker and lock to store their instruments and music. It is the responsibility of the students to maintain orderly storage and assure their locker is being locked at all times. Personal property stored at Warren High School is not the responsibility of Warren or Downey Unified. You are storing at your own risk.

PERSONAL STORAGE

Most if not all students will also be assigned a personal locker. It is their responsibility to provide their own lock for this locker. This would be an appropriate place for them to store their phone, wallet, etc. while rehearsing.
